## OUR PURPOSE

Celebra Grapevine extends a warm invitation to be part of a celebration that transcends generations and embraces the vibrant legacy of Hispanic heritage. As we commemorate National Hispanic Heritage Month from September 15 to October 15, we invite you to join us in shaping a brighter future for our community and the generations to come.

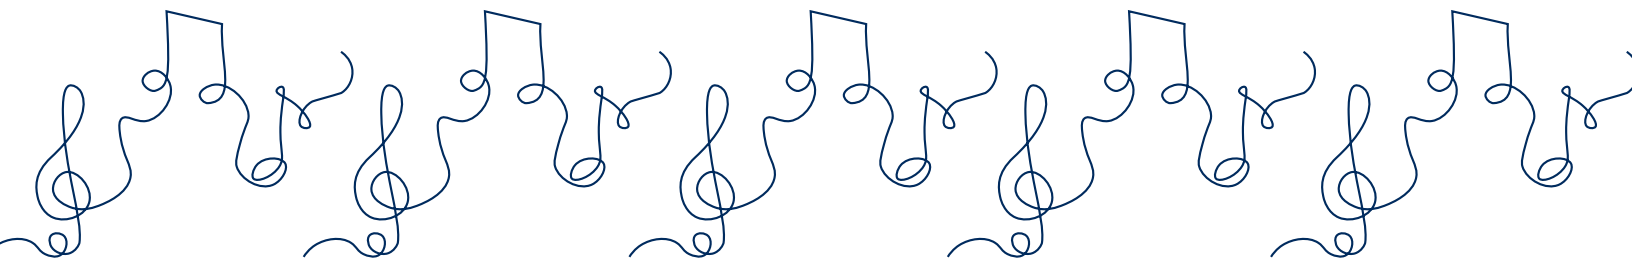

Grapevine, with its rich diversity and flourishing Latino population, embodies the spirit of resilience, innovation, and unity. Over 62 million people in the United States, including over thirty percent of Grapevine's population and forty percent of Texas, share this vibrant heritage. They are not just contributors to our economy, but also pillars of cultural enrichment and social progress.

Celebra Grapevine is more than an event; it's a catalyst for positive change and empowerment. Our 2024 theme, "The Music that Unites Us," symbolizes the harmony and shared aspirations that bind us together. This year's festival will include a job fair, Selena Look-a-Like Contest, flashmob and selfie stations to as we continue to develop a platform for sharing and learning. Through captivating performances that blend local talent and renowned artists, interactive experiences that celebrate our shared heritage, and family-friendly activities that inspire creativity and unity, we are creating lasting memories and meaningful connections.

By partnering with Celebra Grapevine, you invest in the future. Your support not only celebrates Hispanic culture, but also fuels initiatives that empower future generations. Proceeds from Celebra Grapevine contribute to Dev Culture's Latinos in Grapevine initiative, providing essential resources for professional development and training for hispanics, laying the foundation for a diverse, skilled, and inclusive workforce, ensuring a brighter tomorrow for everyone.

Join us in this journey of celebration, unity, and progress. Together, we can continue to create a legacy of diversity, opportunity, and harmony for generations to come. Partner with us to be a part of something truly transformative. Together, we celebrate, unite, and inspire a better future.
